

Offered to current 8th grade students and any previous graduates of Lake Castle.

Instructor: Barry M. Butera, Principal

CONTENT:

Students learn how to solve mathematical problems from the ACT Preparation Course book. Rather than taking the approach of learning how to eliminate answers, Mr. Butera actually goes through the process of teaching the students the fundamentals required to find the correct solution to the problems.

Each year, students have earned composite scores from the high teens to the high 20's with several receiving composite scores of 30.*

***From the ACT CollegeBoard website:**

- *The **critical reading** section includes reading passages and sentence completions.*
- *The **writing** section includes a short essay and multiple-choice questions on identifying errors and improving grammar and usage.*
- *The **mathematics** section includes questions on arithmetic operations, algebra, geometry, statistics, and probability.*

WHEN:

Wednesdays – beginning in October
3:30 P.M. – 5:30 P.M.

Saturdays – will be announced at the Wednesday sessions
8:30 A.M. – 10:30 A.M.
